Beautiful - X3 - Sin + Salvation

Gently -
~~~~~

Reason Most often mentioned for rejecting.

Don't hear what it's saying -

INSIGHT  
[Homology.]

NOT - good - evil  
right - wrong  
Sin Salvation

Sin Salvation - Key to - good evil  
right wrong

SIN ~~~~~ RIGHTEOUSNESS -

competition evil - ~~to~~ ~~the~~ ~~good~~

Problem - good things & evil things - man chooses evil  
Righteous things we choose - do harm  
- so on {  
Terrible than a righteous war - {

Problem - as much with our loving as our  
hating.

SIN - problem -> profound insight -  
SIN - calling salvation - that which is s.t.

- According to the Bible - having a righteousness  
of your own

- ~~zeal to be righteous~~  
zeal to be loving

X Remedy for Sin: God's Righteousness -  
freely given -  
calling sinners his

~~no one else righteous~~ - ~~unless like me~~

~~Not long neglects of my own~~  
1 Remedy for sin: zeal for ~~righteous~~

Neighbourhood of yourGod's NeighbourhoodRemember

Sin — enough rights just around to stop it out  
 — those much more about  
 — only this will ~~destroy~~ not destroy each other  
 with our neighbours

Remember

Sin — doesn't come of our goodness  
 — comes from by far  
 — only then have one other

Remember

Sin . at the heart of our conflict ~~there~~ is  
 is a conflict of neighbourliness  
 = no remedy for that for you and I to  
 get more goals about our neighbourliness  
 goodness in a vacuum is a monster  
 we cannot afford to be isolated from  
 each other — neighbourliness

Remember

Sin : — Love —  
 Destructive → Love neighbourliness of my own  
 — I'll be indifferent of their beliefs — all together

Rage : young & old —  
~~Remember~~

— ~~expected~~ all kinds of things  
 groups — salvation — that weren't  
 people — ~~remedies for sin~~  
 Didn't seek  
 — one expecting —  
 — very thing that confound

Can you imagine the difference it would make  
 — let your abundance be the remedy for sin  
 rather than our own neighbourliness
