It is going to take something impossible to some us

Which is this :-

With God all things are possible -

Where is Dr. Struss?

Why bring the matter of Dr. Struss up when you don't have to?

good question → not because hard to bring it up →
Dr. Struss had a lot of people who were
kind of like him that would do
- but I feel wrong

But however, you don't have to go to the
point of - (like we're making about this)

Threat is inevitable, inevitably - Don't know

Threat explains a lot of our behavior -
we're scared with that threat.
Courage or lack of it - face that threat

Some value: talking about it - regularly
might go on.

Conclusions: -

1. A Sprawl of Dying - Chance Death.
 - stay potential - never actual → loss.
 - Preparation - you find kind of guy
 - mess waits - want to be prepared.
 - want not to go on.
2. Life - working - working - now - flight →

Powerful & Dangerous: - mess up left -
good to know it.

Close LIFE 1 -

knowing dying
take a lot of time to understand the process of dying

Embrose - vulnerable - not in charge
 means to save - snatched away
 allow yourself ~~to be~~ - in order to be

in order - to

Live - ~~How to live~~ -

Live - know how to die

- poor ways of death incl death - accounts for a lot of our weird up lives

GOOD NEWS > DYING & RISING THING

~~Resurrection of the dead~~

Live with them - in love

- Raised with them

Let yourself be forgiven -

Heart goes out in love - } - kind of dying with

Trust yourself to grace - } - we can talk about

Force being your own justifier

to rise again

What happens then?
 ← →

Can't - make ourselves believe

- make deposit one of peace of God.
