my heart, as I wear, a burning fire, shut up in
my bones, and I am weary with heaving it in

When the going gets tough -

Closing lines of the Gospel. Lesson lay an unending chain

you know how to interpret the appearance of
earth and sky.

Why do you not know how to interpret the present,
TIME?

We may not all agree that we are that good at

forecasting the weather - reading the weather signs.

Many of us have lost all sense of being able to read
the signs of the times.

Our world can't be made head or tail of

This may be true for us for different reasons
than it was true for former contemporaries.

inspiration

We've got a world that seems to be running out of control
that won't manage,
that can't be read.

Decline of religion, rise of Terrorism & Violence
inflicted by ~~religions~~ religious groups.

Thrown together in a Melting Pot of religious & Ethnic
groups & homelands continues to mount. ^{massive} refugee
while the readiness to accept refugees is
drying up.

Poor are getting poorer -

any acceptable remedy for poverty
is running into growth limits of the
planet earth.

When we see all the civil & economic strife

& subjugation of peoples.

& destruction of the environment.

→ you could believe that the world, like some
victim of alcoholism, was choosing to destroy itself.

Who is up to interpreting our Times? ^{was a challenge}

Almighty God

We've got trouble knowing how to pray
STILL

It will be good to have a word with you
It will be good to have our hearts heard

We don't want to be whining or complaining all the time
but our lives are filled with anger and hurts, life
gets to be too much for us. The things that go wrong with
it seem quite beyond us. Having felt to be mostly heartache
and not getting fulfilled.

LORD hear our prayer and let our cry come unto you.

Almighty God

it doesn't feel right just praying for ourselves
It's awful to have even a fragment of the praying of all
the people.

hear and for. Third world and all that, have a heart with
freedom and justice. This religious and the other
and no religion. Those who rejoice and those who
will not be comforted. Those who need by fear and
those who languish in powerlessness.

It's awful to hear their cry - we need to
lift them with you or we will shut them out
all together and leave them all out.

LORD - hear the prayers of the people of this world and
let their cry come unto you.

Almighty God

Wherever we listen to ourselves and the world
where we move to make confession
where we are hopeless and weary without your mercy,
whether it is our flight from duty and responsibility
or our striving to be helpful and good
whether it is our weariness
or our grief
whether it is our anger
or our compassion
whether it is our indignation or our sorrow
all words to be offered to you that it be purged and blessed

Lesson 15 Day 23 Prayer Pgs 2

S32) all this work is for your sake,
so that you can be in the love which is yours,
Love hear our cry
and work in us a great confession.

Almighty God:

All these things which are
which are the work of the spirit

Make the prayer

THY KINGDOM COME

you love the world

you hear everything

It is not your will that every one should perish

Hasten your Kingdom.

Come Lord Jesus

We too can have the world when we know
your Kingdom is at hand.

Call to Worship

MINISTER - Today, when you hear God's voice
 do not harden your hearts. For the word of God
 is living and active, sharper than any two-edged
 sword, piercing to the division of soul & spirit
 of joints and marrow, and discerning the thoughts and
 intentions of the heart. And before God, no
 creature is hidden, but all are open & laid bare
 to the eyes of the one with whom we have to do

Prayer of Approach

Joined by all, Almightly one with whom we
 have to do, we may not be able to hide
 from you, but you seem to hide from us
 for long stretches of time.

Hide not your face from us.

Voices from every side speak a confession
 of messages - many claim to be speaking
 your word.

You speak. Withhold not your word from us
 and let it not return with you empty.
 but accomplished that which you purpose in us

Here we cry for a glimpse of you
 and for a word from you.

Through Jesus Christ our Lord
 Amen.
