537b) Lord Hear us as we make our common supplication unto you,

Hear the crys of those gathered here - whether
grieved healing to the sick
relief to the afflicted
restoration to the fallen
reconciliation to the estranged
Raise them to each other in the bond of peace,

Hear the crys of People Everywhere
lives are devastated by deprivation & loss
hope destroyed by Tyranny & Theft
Have no place in the world they can call their
denied a good life because of the greed of others.
Bring Peace where there is warfare & Hilly
Bring Liberty where there is Tyranny
Uphold a nation those who have in
your Kingdom, who seek justice
& love mercy
Reconvert us again into solidarity
with all those who are denied life & bounty,

Hear the groans of the whole creation
(Win again & again all our hearts to a
love and care for the planet earth.
Open all our eyes to the devastation of
our failure to be faithful

Finally: Hear the sound of our grateful hearts
for each other - for life on this planet earth
and for your great mercy - if possess our knowledge

Confession

Holy & Majestic God.

We sing braver than we are,
We are more out of touch with you
than that hymn sounded.

We are not freely or proudly glorious
hidden pattern to life.

We are worthy but our way in the
way the world is going.

We are weary of good doing,

our loving isn't much

the way the world is going is much too
much for us.

We bring you our broken praise
and our contrite words

O God

you created us

you redeemed us

and now we in the way we are weak
to do.

Through Jesus Christ our Lord

Amen.

Your name is written in the palm of God's hand

Call to worship

Today when you hear God's voice
do not harden your hearts

For the word of God is living and active,
sharper than any two-edged sword,
piercing to the division of soul & spirit,
& joints and marrow,
and discerning the thoughts and intentions
of the heart.

and before God no creature is hidden, but
all are open & laid bare to the eyes
of the one with whom we have to do,

Almighty God : we may not be able to hide
from you. you seem hidden from
us for long shadows of sin
Hide not your face from us.

~~many~~ ~~Voices from your side~~
~~speaking~~ ~~conflicting~~ ~~contrary~~ ~~messages~~
each ~~claiming~~ ~~claiming~~ to be your word.
(you speak)

Hold not your word from us.
and let it not return unto you void,
but accomplish that which your
purpose is in us.

Hear us O God & answer us
in your word from you
