- help us to get a glimpse of what MEANT
to the people it happened to.

In the ancient

to what the resurrection MEANS - it packs a wallop

It will not be any easier to deal with ~~except that what~~

→ if we focus on
what it means.

rather than what it was.

But more may come of our try to deal with it -

ACTS story stage one

But this is saying it has overcome the world,
you don't have to uphold love against all obstacles
Love will uphold you, ^{we have a duty to}

LOVE IS POWER — not weakness — frailty —
has a Power — some thing.

Another
piece to the
puzzle

Some of our pain — Mistake what love is
