THIS IS PEACE ?

Scripture -	O.T.	Jer.	8: 4-13
	Epis	Phil.	4: 4-9
	Gosp	Mk.	8: 27-33

The other day:- That well worn phrase from
the epistle - "The peace of God which passes
all Understanding"

Took a new twist

It occurred To me -

possibly - reason Peace of God - called
"past understanding -

it didn't look like peace at all at first.

Consider the possibility This morning -

on more than one occasions - a biblical writer
claims that people are false to the word of God
when they call peace that which isn't.

Indicate

Real possibility -

people confronted by the peace of God
- call it Not Peace

Read: Leonard Bernstein's Moss

first heard this description -

Morning → overwhelming expanse
— constantly overwhelming

Only way we would I was touching the
edge of — God's World
God Broken one: — | God forgiveness —
God with us.

How can that not be a time of
paralyzing despair
Defeat?

LOVE THOSE KIDS

Grieving upholds you

To be spent that way
is to created.

That would be a peace past understanding

IS THE BIBLE TRYING TO TELL
US THAT — That is where peace is.

woman alcoholic →

When I am on the verge of believing that
I poison

If that's our peace Love alone →

If that's our remedy without guarantees
success

then it will have to be soundly
or other that can withstand
our total rejection

Chisel. Reflects on Jesus — God's Son, Act
must needs go to Jesus
there suffer & be killed
on that day, just soon.

What Savior - God can deal with our Poison

Except one who can survive our
betrayal
total rejection
evacuation

Not Spoken to

{ GOD - FORSAKENNESS
GOD - REJECTION

NEWS → GOD IS THE BROWN ONE

I guess its time enough

if ever found our place then
we wouldn't understand it
either
