Fear of Dying - works The Death Wish
Hymns: 393 - 527 in US

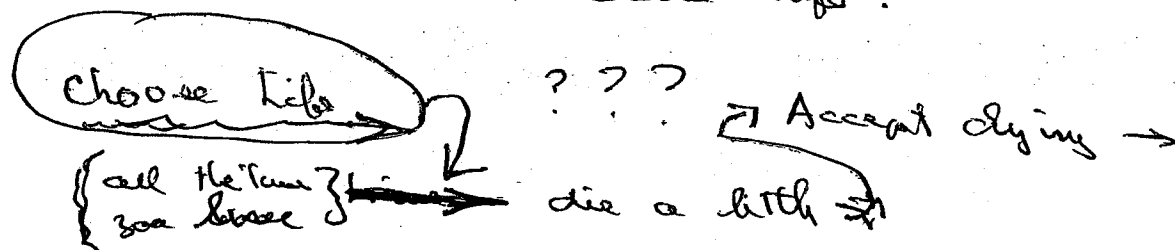

Scripture :- Gal 3: 21-29

Today: Living + dying -

Self understanding } strange as the ~~old~~ conventional
Gospel Understanding } Dying + rising ->

Deut: 30:19

"I have set before you life + Death, blessing
and curse - ∴ choose life: -"

(We walk in the dark)

Borne
lose something } Do
Fail → } die a bit
2. Feel - pain, negative feelings, remarkable matter } Feel - die a bit. Risk.
3. Love - Risk self, rejected } Love accept.
Expectations surprised } Risk Death
remarkable } die a bit
heart as - destiny.

(S829)

Safe from this Risk :

not to live Wish (2)

not to risk { a balance →
Feeling = good feeling
Love - can be guaranteed of return } no fear
no love.
No Risk - ~~Logic~~ Death rather than life NOT TO LIVE

Fear of Dying → Death wish

Friend :

Self Understanding - Human Predicament
Impossible conflict - Desire :

Death wish } To Be
afraid to Be.

Fear of Dying - works the death wish in us.

INSIGHT → Be our own creator is why.

Needs : God who justifies, affirms - Makes alive

Dying & Rising with X . Life as X - a Dying & Rising

Let God be God : - Trust for affirmation - method of creation

Love & forgiveness - ^{being} unselfish
God's goodness - your accomplishment

But kind of Dying - makes alive

Real feeling - love them - God forgives
Real love - God is risking everything for love
Real Believing - God thanks you are indispensable

What else will make alive !
What if we believed it ?
