"VOLUNTEER GRANDPARENTS" is a non-profit society now financed by the Provincial Society. A volunteer grandparent is a person who spends two hours a week with a child who has no grandparents in the Lower Mainland doing things that grandparents and grand-children do together (movies, walks, aquarium, etc.). Anyone who wishes to be a volunteer grandparent, or would like their child to be a volunteer grandchild, should call to 1734 West Broadway or phone 736-8271 and ask for Volunteer Grandparents.

USED STAMPS: The Scouts of First Church recently raised over \$20.00 from the used stamps received from your contributions. They would like to thank all who have assisted and remind you that funds from these stamps (leave 1/4 inch margin of envelope) are contributed to Leprosy Missions in various parts of the world.

Prayer:

Our Father

This little house of faith

Brings its Prayers & Supplications unto you

May we know ourselves know

our special aches

& distresses

& anxieties

people we care about

ways we

bless us

Call to worship

This is the day the Lord has made
It's out there - all around us
an incredible universe!

It's within - just ~~as~~ incredible.

What's more - It says in the Bible that
what is out of whole with it
has been dealt with ~~us~~

This is the Day the Lord has made

Let us rejoice and be glad in it.

HOLY -

Thanks be to God for our

Creation

preservation

+ Redemption.

OUR FATHER

How come you can't sleep?

How come you can't stay awake?

HASTINGS UNITED CHURCH MAY 25 1975

Generally speaking

It seems to me

That what gets me into God talk
God thoughts.

- is that I get my world shaken in some way
- or I run into someone whose world is shaking -

Preaching -

Shone some considerations prompted

Sometimes:

Tickled
or teased

gentler
perhaps no less edifying

Several months ago:

Comment for the day - devotional booklet

Put together the two readings -

Jesus Fast asleep - people worried

Jesus Fast asleep - Jesus worried.

clear - on one hand -

Judgment was HOW COME YOU
CAN'T SLEEP?

What is there to fret about?

on the other hand.

Judgment was HOW COME YOU

CAN'T STAY AWAKE

can't you worry with me?
watch?

Teased -

did our own thinking

Best use -

all chatted - what this could
mean to us -

Wild Greases!

(3)

It wasn't my not weighing anything
so much as my not knowing anything
My brother had been heavier weight before
I had not taken the first step in knowledge
I had not learned to let go with the hands
as still I have not learned to with the heart.
And how we wish to with the heart - we read
that it can see. The mind is not the heart
I may get lost, as I know others live
to work in vain to let go with the mind -
Of course, at night to sleep. But nothing tells me
that I need to learn to let go with the heart,

Exactly what the instruction was -

When you were to worry
when you were not to worry

Is one to be made.

→ Unchristlike to fret.
→ Unchristlike not to fret.

Do Fret →

Life's Tasks :-

make distinctions aren't all that clear

Desire - yes & no.
Bad conscience - yes & no.

among the reasons — Next Rule —
won't work.

Too complicated for that.
Too limiting for that.
Too demanding for that.
Too much damage to ourselves
others

Amity —

death — stoic :- forget it socially
murderers — half stoic — good — quiet aspect
guilt — forgiveness —
believe someone
just wrong

Courage of Love

forget it.
remembers it.
