The Wise and The Foolish keeps Changing Places

During The Bible Study Sunday Morning
 The group has been reading through
 The Corinthian letters.

I became interested again in how the
 wise & foolish see see-saw in The New Testament
 switches.

Not only in The Corinthian letter

Bawled out for being wise - not being wise
 Bawled out for being foolish - not being foolish
 Bawled out for being babes - not being babes
 Bawled out for not being mature - and for being more out there

Explore around some of this material:

as we Get the feel of the distinctions + Contradictions
