FIRST UNITED CHURCH

Having This Ministry - By The mercy of God

John Murphy and I have been at
a supervision conference.

We were paired up for several tasks.

As was to sort out
write down

what we thought the Xn ministry was.

We both have

what First Church has

what all of us at First Church have with each other.

1. Distinguish from just any old kind of helping
similarity :- what gets in way of helping

Faith ministry : -

trust that which destroys

" " creates us the kind that
destroys others.

even more trust - what prevents helping

even more urgent -

- can only do our believing -

- can only help - unmet.

-

allowed

FAITH MINISTRY what kind of faith? - mostly helpers don't help.

Can what possesses us keep us safely?

tried to make our statement

- one serious miss or another.

① Mediate a Faith that keeps us safely
→ safe?

saved FROM something in O.K.
a miss

saved into something.

2. Write Brothers keeper

Fall → our Brother's keeper

Restored

Restored - write our Brother's keeper

get helpful →

- miss - neither keep us safely
or enable us to be truly helpful

June + Gameth's story

Fall world - people & systems
not a place

simply needs helping

Fallen world:-

Faith Ministry: -

Faith re-instates your Brother's keeper in a Fallen World

Ministry we have with each other

First Church has community of people around it

Mediate Faith enables us to Face Fallen world

without flight

without closing our eyes to the depth of its
fallen state

As sharp as we could get.

Selling for understanding Xn Doctrine of Sin.

Flesh: ~

— Blameless

Wishing ourselves a bad time ?

we have this ministry — By the grace of God —

Says anything?

Facing the fallen world — By the grace of God
— By the bad name of God.

Constantly being confronted.

presence — reinstated to Smith's keeper in Fallen world

Dear word seed again & again
without it wearing out.
