CAMP FIRECOM: Visitor's Day was last Sunday and we had a  
full boatload. The weather was beautiful. Visitor's Day  
marks the half-way part of our camping season. Intermediate  
Boys, with a registration of 49 boys from the ages 12 to 15,  
are currently up at camp. They will return on August 4th,  
at which time our 2nd Mothers and Childrens camp goes up.  
This camp has a full registration of 22 mothers and 44  
children.

Under Study Ministry

There is this Poem by Robert Frost that I like  
very much. - A Passing Glimpse

In the spring - when Marge Wight was getting ready for  
her annual show of sketches, paintings, drawings, pottery  
& sewing -

She handed this Poem for me - had it in the show  
& then made me a present of it.

It hangs on the wall of my office.

"Heaven gives its glimpses only to those  
Not in a position to look too close."

I guess I must really believe that →  
part of me thinking + to love

It certainly seems to have influenced my preaching for  
a long time.

~~It seems to me that~~ for a long time now.

Every time I get into a sermon idea - it's that kind  
of thing -

Interpret:

Brown to:

Notion

Hint of something -

Seen on anything more than that - Distortion: -  
say some very wrong things

~~Down to~~

1 All spread out - clear firm proposition - evil <sup>forces</sup> ~~forces~~

② Broken up - taken apart  
undone.

Trouble is - only way you can have anything to do with honest stuff.

↑ Open to that risk; -

Only way I can carry on - keep accepting the warning.

- We are getting to the - at some risk

- We are just getting a hint of something but  
- it can go wrong by the time you blink once.

All this especially true of the this morning's sermon idea.

This has been a remarkable month for me

half way through I tried to figure out why

There was a week there when it appeared to me

- My God! It's kids running the place

Jack Cameron was out of the office for a week

- Ann was in Charge - Camp - other office Building etc -

- John was busy & lot of Bill's stuff -

- Joan wasn't around at that time

- A couple of unusual studies were going on  
proposals.

Even the senior people still around - mostly new at the stuff they were doing.

There was a strange light ~~and~~ about the place

- De foraine - - Blessed over the meat

Fun to be around: - More private -

- More Chatter -

- More theological reflection

- spontaneous, followed

its own theme

Melodies leak from section to section

I checked this out - ~~But was more well~~

① Was I only see feel light →? ↳ holograms

② Replacements feel Borden → ↳ cos up

③ Was there plg cat our -

Responsible - cos on - not scuffs off

- not neglect

- not part held operation

④. Kids Running -

Guest star

Indiscreetly -

Is This New Testament - Life in Kingdom?

Ministry - Bible -

TOKE EASY - Borden light - Matt alone?

EZEKIEL - Call - Exile - wad to self realt

- wouldnt be in - as it was

- 3 books or part - eat - scroll  
Love books & well

- Kingdoms parallel: -

- Throne & Image:

Steward - hardover away.

- about to return.

Have the ministry in a earthly vessel  
- Gly of God.

JUST IN THIS MATTER

JUST A DRESSING GRIMPE HERE

- as compared - All the services are back as job  
All the full burden assumed for the  
whole enterprise by all the centrally  
responsible people.

15 An Understudy Ministry

~~is~~ Close to what Bible is doing at.  
~~Steward~~

The ministry engine is called to have.

- An Understudy Ministry

All the stuff -

Feel called by God

Get under

care about

embrace as our own

Mode Light: Sweet

Fruit of all God's ministry is it taken
