Bulletin, Sunday, Oct. 16, 1977

Due to the First United Church's Team Retreat at Camp Fircom last week, there will be no usual bulletin insert today.

Ray Tingley will conduct the worship service this morning and Jack Shaver this evening's broadcast.

This morning Bill Hennessy is at Windsor United Church and Linda Ervin is at Seymour Heights United Church, North Vancouver. Jack Shaver is due to travel to Bowen Island United Church soon and Art Griffin to Marpole. This "deputation" work of "Sharing the First United Church Story" is continuing apace. Congregations are increasingly desirous of knowing more of our work. Their support is one of the mainstays of our extended operation of our poverty ministry.

One form of that support was very visible last Sunday afternoon when much foodstuffs from Congregational Thanksgiving Services were received.

Our own Sanctuary looked truly beautiful last Sunday morning with breads, grapes, apples, corn sheaves, groceries, etc. etc.

Needs: Canes & crutches; pots and pans; a driver(s) for our Handicapped Recreation Program on Monday and Thursday afternoons; drivers and servers for Meals on Wheels any noon, Monday through Friday.

Friday, Oct. 21: U.C.W. meet at church at 4:30 p.m. for transportation to meeting at Dorothy Shavers.

An important gathering is taking place yesterday and today at Camp Fircom where the Program and Management Committees of Fircom combine a Work Party and Planning Series of Tasks. Further winterizing of one cottage will be one item of concern.
