Silent Preparation

"Decisive spiritual experiences have the character of a
break-through. In the midst of our futile attempts to make
ourselves worthy, in our despair about the inescapable
failure of these attempts, we are suddenly grasped by the
certainty that we are forgiven, and the fire of love begins
to burn. That is the greatest experience anyone can have.
It may not happen often, but when it does happen, it de-
cides and transforms everything". Paul Tillich
