MEMBERS OF ONE ANOTHER

(S2166)

we have this practice of receiving members (when we have members to receive) at a communion service.
That's not an accident.

The reason we have communion service is directly connected with the fact that we have members.
It would be better to say
- connected with the fact that we are members
Members of the Body of Christ.
Members of one another.

According to our understanding of the N.T.

The reason we ^{can} call this celebration
partaking of the real presence of Christ
is that it ~~is~~ undertaken by members of his body.

So what better time to become new members

Recognize :- one members

God has given us to each other.

SO THAT HE MIGHT BE Real in our midst.

How can these things be? -

Acceptance we have for each other -

- new come to know we as forgiven.

accepted by God - absolution.

- God is here - Forgiveness here in another

Members one of another → ^{encouraged} created again by God
one suffers - all do
one follows - all do

Who & What God is →

With Desire have I desired to eat the food.

- close - given to each other -

also The very occasion -

} Wom are Belong
 } all general about who is greeted
 } whom with Wom.

Not Our perfection = bad of X.

But Called His →

How can you be a member? → unworthy
 let ourselves? → unworthy →

How be a member - This imperfect body?

→ Body is being created by Him who
 is able to present it unto himself without
 spot or wrinkle or any such thing.

Who is there to condemn you.

It is God who justifies you.

Receive your acceptance from him.
