We welcome all who are visiting with us at our morning and evening services. Coffee and tea will be served following both services and you are invited to join us.

The service this evening is conducted by Vancouver Burrard Presbytery. Rev. Alan Crewe will conduct the installation.

The congregation and staff of First United Church rejoice with Presbytery and other friends on the occasion of installing Rev. John Cashore into this Team Ministry.

Our thanks to Len Lythgoe and the Youth Chorale for their choral contributions to our evening service.

Next Week

Choosing Life

The Tests for Today

Didn't get me to thinking about some new
shooting notes

But rather a familiar old one
which is at the same time

out about which we are now pondering

Be glad I will before you live & all
in clean life.

That can sound like something strong to say.

Wb nearly equal to Δ low life

What would be more natural

more deeply involved in the
than the drive to stay alive.

Biological Control:-

Choosing Life

The Tests of Today

Didn't get me to think about some new
shattering nation

But rather a familiar old one
which is at the same time

one about which we ever need reminding

Behold it not before you like a wall
Close Life

That can sound like something strange to say

Who needs urging to close life?

What could be more natural

more deeply imbedded in life

than the drive to stay alive?

Biological Courage

deeply imbedded gift

- suddenly throw you into
some physically life threatening situation
reflexes need not act to preserve you if

which that nervous threat

Body is very useful on the scale

Strong part of the core -

Will to live is imbedded

Even when Biological Courage remains strong

We are all into ways
of Choosing Death

Pain that driving us into
unpleasant days up -

amongst
Desire

Regression -

to escape the pain of loss - need to be attached to
nothing,
to escape dying - choose not to be - one from an
another.

One of God's
Constant Attributes:

Fuller life before us - Choose Life

Pain - instead of Escape
Spenders - instead of withholding
engaging - instead of flight
risk - instead of security.

Knowing it's going to cost
- instead of letting it drain out our energy
embracing Real world - floating in a dream world
Getting attached so that we never walk & hurt

Message: - here are the Tough Choices -

God is inviting: -

The courage to choose life is as freely & deeply
provided a gift as is Biological Courage
His whisper leads the universe together that is pulling
before us LIFE To Choose.

Call to Worship :-

(244d)

It's gone we got some good work to
do - Now is the time to do it. It's what
you brought in us brought in giving thanks to others.
You're the same good work to do. It's gone.
Burdens is deriding you & your next deriding you
you've got some good work to do.
It's gone that's good work to do - let's do it
together - let us worship God.

Hymn 17

We are not as sure of going as all that
singing sounds. That's a big part of why we
keep coming back. We know something is all
steak and something is not right. We're not
sure there is a God. Some care for all that or that
we'd accept it if there was one. But even in
the midst of ~~that~~ confusion we find ourselves working
what your word is. We all have our own way
of saying COME and to our God.

Call to Worship

(2244d)

If you've got some God work to
do - Now is the time to do it. If what
you think is in the world of giving thanks to others
you've got some God work to do. If your
Burden is delaying you & your rest delaying you
you've got some God work to do.
If you ~~think~~ God work to do - lets do it
together - let us worship God.

Hymn 12

We are not as sure of you as all that
singing sounds. That's a big part of why we
keep coming back. We know something is all
askew and something is not right. We're not
sure there is a God. Sure come for all that or that
we'd accept it if there was one. But even in
the midst of ~~that~~ confusion we find ourselves working
what your word is. We all have our own way
of saying COME and to our God.
