A NEW YEAR

I said to a man who stood at the gate of the year, "Give me a light that I may tread safely into the unknown" and he replied "Go out into the darkness and put your hand into the hand of God. That shall be to you better than light, And safer than the known way."

So I went forth and finding the hand of God, trod gladly into the night. And He led me towards the hills and the breaking of the day in the lone east.

So heart be still.
What need our little life,
Our human life to know,
If God hath comprehensions?
