CONFUSION AMONG THE DEPENDENTS

The readings tonight are taken from the United Church Service Book - 2 year & a 3 year cycle.

- Title for the second Sunday in Creation →

Man's Dependence upon God

The First Thing That Occurred to me when I saw that title -

How you know it.

Right there is the answer that puts all

and these people who think that God is far away

who read - Religion is a crutch

who are offended at the notion of depend

How important - we all have a problem here

We have our personal concerns about this.

We don't feel right about being dependent upon others.

We don't like it when others interfere upon us with

desires within or our belief which means our control.

We don't like it when people remain dependent upon

us. - so that the God down where we don't live.

Must continue us to stay alone.

upon separation and feeling we are separate &

these feelings. All's gone right to God upon the

dependent person as completely - really is left, even

lovely. and it's an exciting way to live.

I hope this depends on the same thing.

Notion to life — if we are needed, nothing

in process, esp. No other people are necessary

to us. life is simply such as we are about people

something that can be there, only if other food offer

it to us. (others too — have to love)

leaving a central part of our

relation in someone other hands. then that might

in full circle — might back to the dependence we

have been trying to don't appear of

I think there's a critical distinction to be

made here — on the one hand to be working at

and the time, one that we want ~~ever~~ quite final

making with the end of the world

There are kinds of dependence — observational,

things that are a blessing.

I'm not sure that we get to that distinction & simply

using the word "Man's Dependence upon God"

For a person as really-able God. Dependence can be

a cover for the way dependence if it is supposed to correct
