

PRAYER

(SN286)

OUR FATHER

It's an old old story -

We sing it when we are lonely

God is love :-

If you are lonely at all

If it is with you when we are lonely to do
in the world of our lives

And having 'is' covers 'I' with you
Love without conditions :-

Then we don't know you when you're around
We need to hear the story again & again
Word Jesus our breakthrough
- when our spiritual home is
shattered by
sins

→ (about unity in love)
you helped

Others - surely - someone also - }
Make us that to each other }
LOVE

TAKE THAT in prayer
