That the epistle lessons consisted of ONE LONG SENTENCE

8 clauses + one period.

It doesn't sound like the writers of the other epistles that were supposed to have been written by Paul,

The ideas are somewhat the same.

But the style. !!!

Instead of a mixture of facts and subcases,
we have long rolling phrases,

instead of coming on like choppy waves.

The words roll on like surf upon a wide flat shore
instead of building, off the cuff, theological brickbats.
Splendid complete theological edifice, with all
the parts in place.

But if you can take it in - it's good to hear,

rather amazing - what all is contained in this
construction of conventional Christian doctrine.

Early STATEMENT of how GOD WAS SEEN TO BE AT WORK in the
It would be good indeed to be given a

spirit of wisdom & revelation in the knowledge of God.

Thereby: That's why many of us are still hanging around the
Church. - we haven't quite lost the wonderful hope
- now and again we might just come to the
presence of God.
