John's Gospel - very dissimilar to the others -

Told story of Jesus: Pulls back long discourses, dialogues or anecdotes - because the occasion for the special instruction:

Some are eggs
Some are responses
Some are
- responses
Further
refinement in
discussions

some work better than others.

Difficult in wording

never know exactly what it's driving at →

→ always be suspicious as well hints
and suggestions insights - reveals
in living word

Tone

Bread of life

Chapter - Feeding 5,000 →

misunderstanding

"You are crowded around - because you
got fed →

that wasn't real bread of life

The Bread That I shall give for
The life of the world is my flesh,

Let that line ring for a while :-

claydy

"The hour cometh & now is
when they that worship God shall worship
Him in spirit & in truth."

Wangy about coming to the Bread of
The Flesh.

Flesh :-

Really have impact on our lives

- Have some flesh to it →

Preceder → voice connected with his body!

Terminal ill: - bone marks on flesh.

Jesus Flesh : - Bread for life of
world

Touch
Energy
Presence
Fatigue
Grief
Anger
Wounds

all this really I love to the touch

Given all our woes with the flesh: -

- Solid containment in it
enormously good news - Word become flesh
