

EVENINGCall to Worship

If you're stumbling about
in life's debris, hear an ancient
promise! The stone we builders rejected, God
has made the head stone of the corner.

— Take a sixty minute break for
Worship. It just might become an hour in
which you allow Almighty God to
turn one of your stumbling blocks into your
chief Blessing.

INVOCATION

Almighty God

If while we enemies you reconciled
us to yourself then you can work even
our salvation.

If you believe in us then we
are not lost in our unbelief.

If your grace abounds - then we
have remedy for all our sin.

O Lord -

Quench not our smoking flax
But fan it to a Flame.

FIRST UNITED CHURCH : Sept 1 1974

7 PM

Call to Worship :

IF GOD BE FOR US

WHO CAN BE AGAINST US ?

Worship begins when we have even
the slightest suspicion that this
is true.

That God believes in us.

Invocation :

OUR FATHER

We ponder anew

what you can do

If you befriended us with your love.

We take time to turn over our
stumbling blocks again in search
of the corner-stone of our lives.

We wait for the wind from a
surprising direction to fill
our limp sails.

Call to Worship:

The world is so much with us
 Not in. It is ours. —

People everywhere press in upon us
 But they are strangers.
 We are exhausted with running our lives.
 And they are out of hand.

During these closing hours of the Lords Day
 You are invited to look again into where heaven
 hope lies —
 You are invited to the Worship of God.

INVOCATION:

OUR FATHER

What if we were still? — would we ~~then~~
 come to know you?

What if we ceased to think about.

would we sense the eternally yours

What if we released our name.

would the emptiness contain a friend?

Grant us the courage to test your reality!

Through Jesus Christ our Lord
