

Call To Worship :-

Even if we all felt exactly like worshipping this morning, something would have to change. An invitation to worship is an invitation to a surprise. Prepare to be surprised!

Whatever state we are in then - can be preparation for surprise.

INVOCATION:

Our Father,

We come in our Brokenness -

Seeking your fullness.

Your fullness seems like brokenness to us

we clutch at our own brokenness in preference to it

ALWAYS

again & again. we need our eyes opened to what fullness in you is like.

Open our eyes even now, to your Glory hidden in our midst.
