

Call to Worship: -

- another Lord's Day is nearly over
- what if we allowed it to be ANOTHER'S
- what if we let go our frontier living fit and let it be ANOTHER'S GIFT to us.
- what if we found it to be Love's blessed gift to us?
- what if we let God Give us a new life?

INVOCATION: -

O LORD . your steadfast love created of old a nation people out of weaklings & sinners like us. Gather us tonight into a community of faith.

Wherever we are, wherever our thoughts - prepare our hearts to receive your Word. Make every one of us bold enough to hold you to your promise -

that your WORD will not return unto you void.

Restore our Spirit.

It says in your word that you have
overcome the world.

We ~~can see only the~~ cannot see your
victory. We can ~~only~~ see ~~the~~ only the reign of
evil + vanity. Systems + structures, Principles
+ Powers so ordained that they exploit + victimize,
and the remedies we see appear to confound
~~rather than help~~ the injustice rather than help.

Restore our sight.

Through Jesus Xow had.

Call To Worship

They that wait upon The Lord shall
renew their strength; they shall mount
up with wings as eagles; they shall run
and not be weary, they shall walk and
not faint.

Invocation

LORD Jesus.

who stretched out your arms of Love
on the cross That all men might come
within reach of your saving embrace

Fill us with your spirit

That we stretching forth our hands in
loving Labour for others - may bring your
knowledge & love to those who know ~~you~~ not ~~you~~

Who with the Father & Holy Spirit
live & reign God for ever.

Amen.

Call to WORSHIP

We're hardly in a position to promise anything. But this is not our position that makes tonight promising. It's because of God's position with reference to us that these next few minutes can become the night of our lives.

LORD OF OUR WORSHIP.

Our Engagement with Thee is

Sometimes vigorous
sometimes disastrous
sometimes stormy,

PRAYER

The people of Israel were a Thousand years
wrestling in the Dark with your discovery.
Again & Again they were to hear your Word
"I am who I am & wait on you"

We too continue to make you over into our
own image, and wonder why you won't play
to the tune we pipe.

We Ask to see you and look where you
are not.

We sigh over the presence or absence of
little comforts which we attribute to you
— and all the while you may be working an
enormous disturbance in us and our western
civilization —

We wonder why the rest of the world is not
like us and how it is that you have permitted such
wholesale abandonment of the righteousness we stand
for. — and all the while you may be working
an enormous judgment upon us and the values
of western civilization.

We fret a little because there is not a
great rush of people to avail themselves of
the remedies we offer — all the while you
are working a great healing upon us and
the sickness of our life.
