SUNDAY NOV 17 Evening Broadcast 7PM

FIRST UNITED CHURCH.

In getting ready for Tonight.

I got the feeling that it was time the Broadcast sounded more like it was coming from 320 East Hastings in Vancouver.

It sure - I don't mean, - there is something wrong with our sounding like any other Church.

It's so the feeling comes rather from the fact I, Jack Shaw, after a year and one half, am feeling ^{at last} ~~more~~ that I belong down here, and I am working a way to tell the rest of you.

Hardly 2 weeks ago - I walked a few blocks through the neighborhood - and it happened - MY HOME TOWN

MOTHER NEW

Anyway: We should use the occasion of
 The Broadcast - once in a while
 - To confront the rest of B.C. with a glimpse of
 Downtown East Side Vancouver.
 - To have what was one of down here
 confronted by the WORD of GOD.

Big hope $\leftrightarrow$ Modest delivery

All that can really happen is that I tell
 a story or two
 - Real life parables
 - elegant enough to reveal the state
 of the whole place.
