ISRAEL'S PRINCE HAS A RIND

I find that the only thing I can preach about is

- a Theological matter that is getting to me.
- a God issue that I find myself having to deal with.

For a long time $\rightarrow$ what is getting to me
with ~~increasing~~ ^{increasing} power and depth.

{question: ^{relationship} NOT HAVING + WINK OF GOD
connection God with us - ~~deprivation~~.

For a long time before that: -

Issettled for a rather simple solution..

No Connection between Not having
& the Will of God.

NICE LIBERAL CHRISTIAN:

Condition of good will.

EVERYTHING } to say God willed
Bad Theology } that any body should not
have $\rightarrow$

to say that the deprived } had willed
did not HAVE } if this

Negative Election } ^{church} - Charges that trouble

Problem Come back - New Form
- another Depth.

STILL Fail That
Bad Theology } victims of worlds greed.
Broken structures.

God's will - that you be without

① Something has to deal - all Negation goes on & on.

Degree of Negation } real appearance of life
Denial } presents as with

do a better job - pretend it's not there
- thinking about all the good there
so that we forget it

② Not So

That all not having is a curse
indeed - proves so - NOT HAVING her blessing
- goes with it for now.

Saved + Not Saved intertwined
in a strange way

Scripture: - ISRAEL'S PATIENCE (heart of the story)
Leap

Classic + Question of God & Not Having
Rom 9-11

Paul - w/ free our will
believers

No way $\rightarrow$ Now
Until all have

Kingdom is Now
Acknowledge it's not here

+ of Christ - most profound
deals with - God with us
- Not loving -

Such is God's Love: God himself is
where the God - abandoned One

The kind of God Revealed as the one who was with
with us Christ Jesus.

More Saved was One
More we Love Sinners
had the Grace to

~~do~~ any of that lately -
feels an awful lot like Not Loving.
It's also ~~that~~ a blessed state.

FIND

I ~~have~~ ~~found~~ Paul's language with regard
to the Loving & Not Loving Personally Many

~
We are treated as imposters and get one
time, as unknown and yet well known
as dying & be held no but, as punished
and yet not killed, as sorrowful,
yet always rejoicing, as poor
yet making many rich - as having
nothing and yet possessing everything!
