

Call to Worship.

Somewhere, around the edges
 or at the centre of your thoughts,
 you are having a tussle with the Lord of Life.
 Now is the Time to deal with some of that.
 Now is the Time of Salvation.

Be still -

lay down your arms.

+ Know God.

Invocation : - OUR FATHER

Change the ^{giver of Life} ~~power of any~~ ^{lesser spirit} - we are not
 up to your gift of life - It is too damaging to ~~us~~
 and we do too much damage to others.

O, CHRIST

Without your Love, The world
 is unbearable place, In anything less than your Love
 we help to make it unbearable for others.

O HOLY SPIRIT

Come upon us with your gift
 empower us to embrace Life
 and to acknowledge the lordship of X
 in his name

Amen
