Call

Be still, and know that I am God,

This statement suggests that whenever we are active about at any given time is keeping us from knowing God, and that, whenever we think of it is a time to begin again. Some expectation of this is already at work in us or we wouldn't be here.

Be still and know that I am God

Invocation

Our Father -

create us again

O Living Word

overwhelm us with your foolishness,

O Holy Spirit

break through our scattered dust,
