Some will not be comforted - some
will not be dismayed

Hymn - #403 How firm a foundation

Closing prayer & benediction.

First United Victoria B.C. Jan. 17 1971

Some will not be comforted.
Some will not be dismayed.

If I'm not careful.

I will spend all my speaking time saying how impossible it is for the preaching tonight to come to anything.

~~When~~ the event "the preaching & bearing of the word" happens with a gathered group →

when → some within it will find themselves saying a fresh amen to the gospel

proffered message, and comes on as insight into their inner history

Good News: - concern as having addressed their inner reality.

Preaching & Bearing of the Word - comes out of a people's shared reality: - Takes place location for people's shared reality.

Preachers & People are strangers - almost a new miss

Preacher somehow share his actuality →

- 1 Change of job → Not by but people
One whole new Not by but I do

Have to split off - not } Won't be comforted

How can we be used in a Breaking way?
That is love of God.

Be Both at the same time:

- How can you come - without being damaged
- How can you believe that can't really work if all
and not feel right about being there

UGA comes on as absolute contradiction
Nonsense

See No other possibility but escape into one absolute position
of the other - (I suggest to look out a light
is unusual space)
