Prophecy of Second Isaiah: -

almost impossible - in X_n culture

To read this literature - hear what it
says itself: -

Like psalms :- part of the worship

Takes on a depth of meaning -

anyone ~~subsequent to~~ Xn Revelation
 similar with

X unveiled what we would otherwise not know was there.

History:

mighty Babylon under pressure

- impregnable fortifications
- means of Flooding etc.
- Replacement of Peoples

Cyano: - Pulsion

Propaganda
minorities champion
5th Column.

anticipation: Kingdom Restored

Optimism : $\frac{1}{2}$ -

Political Zionism - against weakness of people

case made ~~out~~ that is, all

way made straight? chaps. 44: 27-

Good tidings

return to Jerusalem!

"The Lord Says to his anointed

to Cyrus - whose right hand I have grasped

C. J. Hedgkocock writing - Optimism about
imminent political Restoration: -

The trouble is: even if you passed
the most radical judgment upon them. -
still have to deal with songs of { Suffering
servant.

most famous: ~~is~~ need: -

Man of sorrows →
wounded for the transgressions of others
who shared their sorrows
upon whom was laid the iniquity of all
and in whose wounds all are healed.

What is this element doing here?

pinning his hopes + Faith on might
conquer agent of God's vindication
+ power?

The notion that the servant of God
bear the iniquity of many.
God's saving activity.

• through suffering love.
• humble born.

In his stripes } we are healed.
wounds }

Anticipation: - Fulfillment in X.

X in Revelation: - God is suffer.
servant.
Bears iniquity.
His stripes that heal.

(S4996)

His Suffering Love
— with us.

when we too know the wounds of suffering have
also with Him.

{ Saving } experience
{ Exalting }

Mystery : —

Hebrew anticipation of Messiah.
there was a pattern — that
X could be the fulfilment of —

something there — to fulfil!

How are you going to explain
that kind of thing?

part of Exile and Restoration.

grapples with his own faith.

in relationship to historic situation of his people
seeing the Hand of God in the situation.

centering his hopes on the

1 imminent restoration of Jerusalem
(which happened but was a
disaster flop)

should in this encounter say such
Truths

almost without knowing it

almost in spite of himself

unless Hand of God was upon him?

Brings the very close to seeing
just what God can do with
an earthen vessel

This same literature:

Word of God.

Works faith in us

occasion of the event of faith.

1. That God still moves in history
we can't always dream him
2. can still use earthen vessels
3. Still calls men to find healing
in his stripes
participating in his
suffering love

→ its very existence: -

- confronts us with the
event of God in history.
