This will be a call to worship, only as we acknowledge that such a call is from God. His Sovereignty that summons. Sovereignty of his love that seeks. To acknowledge this - is to begin to worship

almighty God, we think we have to call thee to be with us, we think we have to stir thy memory of us, we think we have to remind thee to be thyself: O God forgive our presumption, take it to be our human way of saying we deserve thy fellowship with a great desire.

seek ye the Lord while he may be found, call ye upon him while he is near. It is he who draws near, and we who flee. Cease your flight: Be found

almighty God.

meet us truly in this worship may that be what we expect to happen. Our hearts are bold to receive thy judgment because thou dost humiliate us with forgiveness.
