Prelude

Call to Worship

Hymn - No. 14 - "O Sing a New Song to the Lord"

Prayer of Confession

~~OUR~~ Father, life is a burden. Does sin make it a burden?
WE'd like to forget it but we don't feel good about forget-
ing the victims of our betrayal and neglect. If forgiveness
is remembering and accepting at the same time, then nothing
better could happen to us than that we are forgiven. If
you, our chief victim have already accomplished our forgive-
ness, that would be good news indeed. Create out of us the
community that mediates this news. *Thank you*

OUR FATHER :-

We half believe we could live this life you have given us - If only there was enough spirit around to feel all its grim realities with life.

You have said you will give the spirit to him who asks, We have asked and keep asking.

Our Father

We can't quite shake the fear that even when we are made just - we betray one another, We are haunted by the host of half forgotten victims of manner of living. The burden of our sin is too great for us, Nor can we accept ourselves when we try to forget all about it. IF Forgiveness is remembering and accepting, it sounds like nothing greater could happen to us than that we are forgiven, If you are our eternal victim and have already accomplished our forgiveness, That would be great indeed.

Constitute us here the community which mediates that news.

Our Father :-

our repentance & grief gets confused with our
numbness & complacency.

our delight & love of life gets confused with our
thoughtlessness and selfishness.

We have asked for your Spirit - May he leave
both our grief and our joy.

OUR FATHER :-

Our cry goes up - so much of the time

for ourselves. Open our hearts to all sorts and conditions of

men. Make us into people who hear the cry of the race

- feel the heart of the others who come our way. Our Father - hear
and let us in prayer come into you.

The last 200 times have been asked to preach
start the same place.

Points That Exploded:

Point in book - God language you down -

Pastoral Prayerin Father

We want this worship to be the real thing,

too can our praise be real when we don't feel like

it. ~~then~~ we are full of complaint;

we a lot of ~~in~~ ^{suppl} ~~tensions~~

turned off on life generally,

And yet we half believe that if we were

up to this life - it could be great.

If we were made new - there'd be something to sing about.

But our worship isn't be real - you are going to keep
to me something for

Not so fast!

What if you really could make us over - new?

What would we love on our hands?

Is it because we don't want you to be that you are not real to us?

If our worship is the real - we are going to have to let something of us die.

Our Father

While we were loving I was delighted with you we forget the other, is that where you were?

It's ~~not~~ depressing to remember all the other all our life together as a human family. One

you asking us to mean a caring for each other completely yourself? To have the eyes of men

To see & feel our own culpability in the suffering of the world. All of us to be up to that
