PROGRESSION

No longer part of progress now are we
Who lived our little lives so ardently
As if those days forever marked the pace
For all the future members of the race.
We were the final word - the last decree
Of all that was or all that still might
 be-
Only to see the "reaching of man's mind"
Again "exceed its grasp" and leave behind
This episode, so brief, which was the span
Of Time's sojourning since our life began.
 Mary N. Matheson.
