Prayer of Thanksgiving and Intercession

(Prayer by Minister and Congregation in unison)

O God, our Creator and our Father, it is you
who gave us life, Now teach us how to use life.
When we are thinking and planning what to do
with life, help us to have the right kind of
ambition.

Help us to think

Not of how much we can get out of life, but
of how much we can put into life;

Not of how much we can get, but of how much
we can give;

Not of the number of people we can use, but
of the number of people to whom we can
be of use.

Help us to think

Of money, not as something to spend on our-
selves, but as something to share with
others;

Of leisure time, not as something always to
be used on pleasure, but as something
which can be used to help the Church, this
fellowship and the community in which we
live;

Of work, not as a grim and stern necessity,
but as that which makes life worthwhile,
and help us to work, not for ourselves,
and not for a master, but always for you
and in the service of our fellowmen.
