The Xn Church was given a matter to proclaim
+ even more - to mediate.

if it wasn't that we had such superficial communion with it
we would realize.

It is such a frightful horror
absolutely - astounding.

humbled fear & humility

Ultimate Real :- been seen in Jesus X

humiliated - rather than be humiliated with
sinned off - couldn't save last
gone living reason for many
was seen - for our sakes
while we were yet sinners and far is
while we were sinners - loved us

At the center of Universe :-

Concern - Love Being Sinner

→ within the darkness - mystery of our sinners,
has

accepts suffering, gives heart to
sinners.

Thrust of Creation
Lord of all Being
Lord of History

Love seen
affairs mankind.

Love our Beloved of God :-

proclaimed fear & humility :-

little of our ideas
don't actually answer it
How of what life is really like!!!

Ultimate Beloved :-

not out - Check to proclaim
But checks to mediate.

News :- only God can tell us - information :-
Reality - mediacy :-

The command we call the Church :- is what the Church is
called to be - Medically says

Redemptive Command - wholly -
people come to know of our beloved
of God.

Listening Community

fragile, me - lonely people inside on churches
let alone outside them.

no one pats them on the back -
rarely good f-ups.

Don't lie themselves

Go through life - ~~are~~ are knowing who they really are
what they really are

" " never knowing themselves know.

expects the Church to be the last place they were to happen.

↑ place where they must have a face

- seen as people better than they are

- more pious than they are

- more committed than they are

- { more the opposite of there - then they are

I was of the Church

Especially
upright
dedicated
pious
serious

} Fup

{ Lying f-ups
empty fups
rich fups

} frightful
fals
silly
Doubtful

people, don't dare tell
anyone else know - they is what
- are worth to - the one

Speak for a minute about doubt

arguing - using of Church - wasn't doubt
- told.

arguing gets going when you do.

really find out what God has for you.

- ask - wonder - careful reality of our existence

- that disappointment - wonder

concern of others?

It's - doubt?

find out. darkness exists kids are lost long
until you stare into the darkness?

where else - safe to doubt

- on that I up - where things come from God is

Love of the members -
not that excellent

... high opinion of himself

... not

... justification

University

Townsend

early experience -

Beginnings of Doubt - questioning

God have him } Boy & the world

New head it - Father Boy - concerned of joy

on all - Cut down eyes into world
