I am going to be preaching for 3 Sundays
These 3 Sundays - Single Theme
The Church & the World. -

Nature of my Ministry - Forced to take this
questions seriously

Scripture lessons - from Cal
profound & exciting insight into what
the Gospel has to say Church & World

Feed for birds -

Portion of the Chapter I read

"Set your mind on the Things that are above
not on the things that are on the earth!!!"

Text you might expect.

deal with the topic - church & the world

- above - especially if you
add a look heavenward

Read on in the chapter -

suggested list - Things that are above

(Don't forget the look heavenward)

Compassion

Kindness

Lowliness

Meekness

patience

forbearing meekly

Forgiving as much

N.B. Love

I don't know what metaphor to use

Gospel the world is glad to hear

↔ Meant this problem of choice in metaphor!

Earth shook from under us,

Don't like to hear -

Earth is the place for love → ??

Love → partial way

triumphing over them in him.

Of course we are taking a great risk
when we pretend to know what Paul

Under a commitment } much closer
avoids a sensitivity } to the gospel

Then so much little know - it's all things
the Church has to say.

Born of a compassion - close to the
gospel - a lot of the
the stance of neglecters watch dog that
the Church often presents.

Disinterested pursuit of truth & knowledge -
when it is there.

close to X - Humility before the truth
absence of any vested interest to
champion.

Centrality the Church has something to
say to this community -

what it has to say is the Gospel
a thing it is constantly forgotten
& distorted - and which
she needs renewal of through
the responsibility of this world
among other ways.

To cultivate attitudes - not to champion
a vested interest - witness
to what it is like to know yourself
championed while not a winner

Now is the church being sent to
a world of people - who are poor
game - people for whom X died
TO a Christian's world -
TO a world in which he is almost
a visitor.

at work.
TO MEET X in the world
TO Be used of Him there -
+ TO Hear judgment & grace
he has to go to the Church

Sounds pretty revolutionary to me,
- This is what I meant
about Col - having insight into
the gospel.

no more revolution than the
gospel

"The Lord is in His Holy Temple
(5559m) let all the earth keep silence before him"

O God - we feel thy power known in the
stillness, Capture us as we know the
climbing of our ~~past~~ - occupation, Facing our
lives that goes forth into the world,
we may go in thy strength and "by the word"
