Call to Worship

It says in the Bulletin that now is the time for the call to worship, you'd be surprised how much calling is going on right now.

If God is true - then our bluff is being called
If God is purpose & meaning then our commitment
is being called.

If God is LOVE then ^{your + my name} ~~name~~ is being called

If God is in Christ - then we are each being called God's own

You could sum up all that is between God and us
AND all that is to be between God and us
in terms of CALL & what is CALLED-FOR.

God IS CALLING US.

Hymn 20 How shall I sing That Majesty

Redemptive Community :

(1)

I have a very clear memory of a period when the Bible Passage that's contained in the Epistle Lesson for today came alive →

I could hardly believe in that those could be so many sentences — in a row — or such long sentences where every word was meaningful instead of the Bible being a giant old book very contemporary.

Redemptive community —

Relationship between people

in a church — knew beginning of what Christian faith was all about.

→ — calling : —

~~we~~ hear what those First X'ns
try to tell us —

— Relationship to God

— Names God who justifies is

{ created → gift.
covenant → "
Put vest → "
forgiveness — "

underlies One →

One Central Doctrine

gives my heart to each other

→ Gifts which each of us bring →

to help Children in the way — increase in it

— learn about

spiritual truth in love

— Conflicts — every joint supports something

up. hearts soft in love
