Call to worship

Broadcast June 20 1982

You have been called by name. That's
one of the things we ~~do~~ right in this ^{word}. We
give you a name - so that the only
way you could be identified was by a name
that was yours alone. - some general names
like boy - girl, he said, he said, won't
do.

The thing is - when have you last called by
name? When did you last feel your uniqueness
broken, or seen as precious, or desired.

The Name we have here about ~~the Name~~
Creator of the Universe - is that God always
calls you by name, sees you as precious
and desired. Do you want to ask for that
word? yours is in the worship of God

Let us Pray.

Now we are asking you to come - to
Speak - to have a word with us. to have
a word for us. Take it was you who
needed pressing. Take it was you who
was avoiding us. But whatever was that
word ~~is~~ - hear us now for we do need
to have our lives addressed.

Through J.C.
