Call to Worship

Evening has come to the First day of the week.
The last hours of the weekend are upon us
— The close of what some call the Lord's Day.

What was supposed to have been a time of rest,
recreation, and renewal may not have been any
of these things.

There's still time!

Some of us are responding to the Call of God
to the cleansing & renewing power of
worship. You come too.

Let us pray:

Almighty God,

We pause in our rush. — lest we are
running where we have not been sent.

We remove our grasping hands from
the steering wheel — lest in our drive to manage
we miss the HOLY.

We lay down our weapons, lest
in the battle for survival, we attack the
author of our salvation.

Come in the Stillness

Make yourself known

Through Jesus Christ our
Lord
