HOLY COMMUNION

Note Some Changes in the Order of Service

1. There is a Children's Story.
2. Between the taking and the presenting of the offering we will join in a reflection upon all that we bring to a service of Holy Communion which is a mysterious combination of our offering and God's offering.
3. When the offering is presented we will stand to sing the first and last verses of the hymn 'When I Survey The Wondrous Cross.'
4. The bread and wine will be served at three stations. Come forward to one if them Receive the bread, dip in in the cup and eat the wine-soaked bread.

Reflection and Confession

Presentation of offering

When I survey the wondrous cross
on which the Prince of glory died,
my richest gain I count but loss
and pour contempt on all my pride.

Were the whole realm of nature mine
That were a present far too small.
Love so amazing so divine
demands my soul, my life, my all.
amen.

Christ our Redeemer is sacrificed for us. Therefore let us keep the feast - Not with the old leaven of malice and wickedness but with the unleavened Bread of sincerity & truth.

Invocations: Almighty God with whom all hearts be open, all desires known and from whom no secrets are hid, cleanse our hearts by the ~~invocation~~ of your holy spirit so that you will be truly manifest in our midst, Come with your light of judgment your power to put right and to work in us that which is well pleasing in your sight.

Some members of this Congregation took part
 in a Worship Workshop a week or so ago.
 It was agreed it came up there that -
 One of the things that ^{needed to be} worked at was the
offering part of our Worship service

Service of Holy Communion
 good time to acknowledge this

One way to see what a service of Holy Communion is
 - An offering:
 strange rhythm - our offering. God's offering

We offer us - God offers God
 through metaphor & symbol
 means for that to happen -
 Indicates - what takes place.

Our offer & God's offer come together

We try Bread & wine -

- we are strange & crossed -

- is strange - food metaphor -

- more human than that - human unlike unlike -

- do each other a bit good -

- system serves for us - most social systems

- Bread - more - something -

with - of our work

Wine - relate - loving - suffering & cleansing
 union & what - that is.

— Bread — more — something —

Wine — aware words

Wine — relate — love — suffering & blessing

union & what — that is.

Bread of life.

cup of salvation.

Get down to it, our offering — element is washed

~~which is our~~ Confession: —

Being forced to us — our Behaviors —

Reflection — Our real behaviors that that is

We need have some ideas now while
such as becomes aware of himself & himself and
our life together so that it is a blessed blood
reality we present as our offering.

Broken — reality —

Bread of life

cap of isolation,

Get down to it, an offering — it's not in our hands

~~we bring our~~ Confession —

But, known is us & our Problems —

Reflection — our real problems and that is

We will have some ideas now while
we are aware of ourselves & know our
our life better so that it is a living reality
reality we present as our offering
