Morning Worship

Organ Prelude: "When I Survey the Wondrous Cross" J. S. Haan
"Yeshu, Joy of Man's Desiring" J. S. Bach

Call to Worship:

Leader: Preserve me, O God, for in thee I take refuge.

People: I say to the Lord, "Thou art my Lord; I have no good apart from thee."

Leader: As for the saints in the land, they are the noble, in whom is all my delight.

People: Those who choose another god multiply their sorrows; their libations of blood I will not pour out or take their names upon my lips.

Leader: The Lord is my chosen portion and my cup; thou holdest my lot.

People: The lines have fallen for me in pleasant places; yes, I have a goodly heritage.

Leader: I bless the Lord who gives me counsel; in the night also my heart instructs me.

People: I keep the Lord always before me; because he is at my right hand, I shall not be moved.

Leader: Therefore my heart is glad, and my soul rejoices; my body also dwells secure.

People: For thou dost not give me up to Sheol, or let thy godly one see the Pit.

All: Thou dost show me the path of life; in my presence there is fullness of joy, in thy right hand are pleasures for evermore.

Easter Sunday Evening.

Devoted of the Resurrection Story is on Spring 9th.
in addition to John, Joseph and Mary
Wells to Amans.

They ~~just~~ were singing songs with
their new companions.

Then later in the week with Nelson and
have been blessed with by you
Criswell & Crawford & Samuel

Some women have brought some
stories about our Supt. Town

The companies remind them of some
examples of love in the scriptures

He joins them for supper -

In the morning of Sunday the morning
that he have been singing
the Resurrection.

Open Reflection on the Scriptures and our
situation - Can they be our Resurrection story

Agony 468 To Ship in Day -

Invocation.

O Lord our - Make yourself known
to us. Crucified one at the Right hand of
God - make yourself known to us.

Put at the Head Stone the One who has

April 19 1981 ~~EASTER~~ BROADCAST

GOD RAISED HIM

Some of the Denominations which have united in general acceptance of the lectionary ~~lessons~~ of Sunday readings ~~and~~ have chosen for this passion and Easter tide to read Matthew's version of these events.

There is a gentle way in which reading these parallel events as they are recorded by One Evangelist only gives the whole meaning a single cast.

^{Matthew}
over ~~that~~ stands out about the Resurrection narrative is how conscious Matthew is of the controversial nature of this claim.

He sets down his rather spectacular vision between two stories - one outrageous and one declaring the fact that contemporary people are opposing the story of the resurrection with a story of a stolen body.

Actually all the evangelists put forward the Resurrection of Jesus as problematical from the beginning, especially for some.

No Question - take all the literature together - earliest & latest. Resurrection seen as central - key to the whole thing.

Strange - that key - always portrayed - that problematical.

It seems to me that there is some
insight here as to what it meant to them.

There was this word sent to Israel. Holy Spirit Down
Preaching Out

Down and
heaven. They appeared by the Door

They Put him to trial

But God Put up

Made him Manifest

To him all the prophets bear

Witness that anyone who believes

in him receives forgiveness of sins
in his name.

Like there is no explaining it except that

God Put him up & Made him Manifest

Like the whole thing is a problem.

{ What has been rejected? -

{ Caught in cross-fire of a system - Execution
is called for.

{ Some others not able to save themselves
got to do with redeeming trial.

Seeing the world?

Knowing the consequences of a sinning world

got to do with the Manifest had a history?

What has a Parliament at 33 doing in the
Right hand of God?

What has the Stumbling Block to do with the
Good Stone of the Corner?

But God Reveal Nany.

* The only witness to the Lordship of
that kind of living in God - GOD ALONE
can ~~show~~ manifest that our being is a God ~~experience~~.

* God bless our organization with
fine and long life in peaceful state.

Nothing in our world can reasonably be the breakthrough of God as Witness. Only something that can be moved - not seen for what it might be, can be a witness to the resurrection.

Some Cool news in all that.

God alone without looking of
Manifold that kind of love as victorious.
The fact that you and I amount up to it -
to be expected.

God alone Made ^{wanted} sin heavy +
God abandonment - where God
triumphantly is -

- Manifestation of that - present & hidden -
recreation house present & undisturbed house.

What is around the next corner?

can happen at the next meal - the next meeting
of Board -

you can come upon the resurrection,

What can happen in the next person you meet.
or even the meeting you are having now!

God can raise up and Paul Carter
what you have been stumbling over.

Seeing the hard, Doing & Wonders
in our eyes

Nobody in Nicaragua is missing the assassination

of ex-president Somoza! The Nicaraguan charges in an affair for Canada tells an incredible story of a nation trying to rebuild it from nothing. In one year it set out to lower the illiteracy rate from over 60% to only 10%. What's more, they did it.

PUBLIC MEETING - You are invited to hear Sr. Theresa Chu New Director of the Canada China/Programme of the Canadian Council of Churches - "Life in the Churches of China Today" - Chalmers United Church Lower Hall, Tuesday, May 12 at 8:00 p.m. (1402 - West 12th Avenue)

WORSHIP WORKSHOP - For Clergy and other members of First United Church SATURDAY, MAY 16 from 2:00 to 2:00 p.m. We think that if we meet together, talk together, explore together, shared our gifts of understanding and spirituality with one another...that this would have an impact on our worship at First United...that each one of us would get a deeper sense of God in it and a deeper sense of each other.

Talk about it to one another, if you are interested speak to one of the clergy. Ask some questions, help shape the event. In a couple of weeks we will be asking for people to register. By then you may know whether you'd like to take part.
