3.2.3 Training of Research Assistants

2012-2014 CIHR Team Grant (Violence, Gender and Health) *Contexts of vulnerabilities, resiliencies and care among people in the sex industry.* Worked with and trained five teams of RAs for the administrative support, data collection, and analysis related to Project 6: The Effects of Prostitution Law on Vulnerabilities, Resiliencies and Health. Teams were developed in Montreal, QC (2 MA, 1 PhD student & 1 experiential worker in 2012-2013); Kitchener-Waterloo, ON (1 MA & 1 PhD student in 2013); St John's, NL (1 MA & 1 PhD student in 2013); Victoria, BC (1 MA & 1 PhD student in 2014) & in Calgary, AB (1 PhD student in 2014).

2000-2004 Canadian Public Policy and the Health and Well-Being of Sex Workers. SSHRC Strategic Themes Competition: Society, Culture, and the Health of Canadians. Working with and training six students (3 MA and 3 BA) involved with data collection and analysis. We were trained on NUDIST5.

2000-2003 Canadian Public Policy and the Health and Well-Being of Sex workers: the hiring and training of community partner members for participatory research. The project involved the training and

working with eight students and eight community partners (four to do interviewing and four to do outreach).

1998 Work, Restructuring, Health and Policy Implications: The Sex Trade Environment. National Network on Environments and Women's Health. Worked with two under graduate students to prepare a bibliography and report.

1996-1997 Sexualités, représentations, et marginalités. Enjeux culturels, sociaux, et politiques: I worked with two students on the data collection aspect of this project. We also learned to use NUDIST for the analysis of these data.

1994-1996 Sex Work as Service WorkCPhase II Toronto: I trained a new team of four graduate students from York University. In-the-field training was similar to that provided to the Montreal team the previous year.

1993-1994 Sex Work as Service WorkCPhase II Montreal: I trained a new team of graduate and honours students. In-the-field training included skills related to: interview development, techniques for approaching potential respondents and conducting interviews with them, quality checks on completed interviews, coding, and the handling of data files. Off-field training included techniques for data analysis and the organization and presentation of papers at professional meetings.

1991-1993 Sex Work as Service WorkCPhase I: While in the field in Montreal, I trained and supervised two graduate and three undergraduate students involved in interviewing, coding, handling of data files, and analysis of the data.

1990-1991 Prostitution in the Tenderloin: While in the field, I co-supervised one graduate and one undergraduate student involved in interviewing, coding, and preparation of the data for analysis.

1990 Evaluation of the Farm Women's Advancement Program: I hired and supervised a graduate student during the design and interview phase of this project.

1989-1990 Adult Prostitution in Canada: Two graduate and two undergraduate students worked on network maintenance and development during the summer. Two were trained in bibliographical work during the school year.

3.3 Research Grants and Fellowships

2011-2016 CIHR (Violence, Gender and Health) Contexts of vulnerabilities, resiliencies and care among people in the sex industry, CIHR Team Grant Violence, Gender and Health, Cecilia Benoit, Nominated Principal applicant, F.M. Shaver one of 10 Co-principal applicants (\$1,401,252 over 6 years).

2010 CIHR (Violence Gender and Health) LOI Team Grant on contexts of vulnerabilities, resiliencies and care among people in the sex industry. Named Principal Applicant: C. Benoit. I am a Co-Applicant on the project. (\$10,000 to develop the full application).

2009 CIHR Catalyst Grant Ethics (New Investigators and Mid-Career Investigators Transitioning into Ethics): Protection for all: Sex Industry, Health, and Human Rights. Applicants: C. Benoit & K. Shannon;

Co-investigators: F.M. Shaver, T. O=Doherty, C. Atchison, L. Casey, S. Davis. (\$50,000/year for two years).

2008 SSHRC Standard Research Grant: Risks and risk management in personal service work: a test of a dynamic work stress model in sex work and hospital work. PI: Frances M. Shaver \$70,725 (including a \$5,000 RTS) requested over 3 years (4A decision).

2008 SSHRC Internal Award (General Research Funds): ARisk and risk management in personal service work: a comparative analysis of sex work and service work.@ Principal Investigator: Frances M. Shaver. (\$4,515).

2007 SSHRC Standard Research Grant: Risks and risk management in personal service work: a comparative analysis of sex work and hospital work. PI: Frances M. Shaver \$75,724 (including a \$5,000 RTS) requested over 3 years (4A decision).

2007-2008 Concordia, Faculty of Arts & Science (General Research Funds): Concordia Research Center on Sexuality: Sex Studies Conference and FQRSC pole grant application. Principal Investigator: Gilbert Émond. Co-investigators: C. Nadeau, S. McSheffrey, F.M. Shaver, & D. Boisvert. (\$10,000).

2006 CIHR Team Research Grant: Reducing Health Disparities among Vulnerable People Working in the Sex Industry (PWSI). Cecilia Benoit, Nominated Principal Applicant; Principal Applicants: Frances M. Shaver (Concordia), Lois Jackson (Dalhousie), Gayle MacDonald (St. Thomas), Mikael Jansson (Victoria). \$3,131,744 Requested over five years (not successful).

2006 SSHRC Standard Research Grant: Risk and Risk Management in Sex Work: A comparative analysis. Frances M. Shaver Principal Investigator. \$77,125 (+ \$6,400 for RTS) Requested over three years (not successful).

2006-2008 Networks of Centres of Excellence (PrioNet Canada): A Cohort Study of the Impact of Prion Disease on Farm Family Community Health. Principal Investigators, Wilfreda E. Thurston (Calgary) & Carol Amaratunga (Ottawa). I am one of the Co-Investigators named on the project and will be responsible for data collection in Quebec. (\$400,000 over two years).

2006-2008 Alberta Prion Research Institute (Proof of Principle Projects): A Cohort Study of the Impact of Prion Disease on Farm Family Community Health. Principal Investigator, Wilfreda E. Thurston (Calgary). I am one of the Co- Investigators named on the project and will be responsible for data collection in Quebec. (\$200,000 over two years).

2006 SSHRC Internal Award (General Research Funds): ABridging funds to support the preliminary analysis of risk and risk management in sex work and service work.@ Principal Investigator: Frances M. Shaver. (\$3,875.60).

2006 (February) Letter of Intent (LOI) to CIHR Team Research Grant: CIHR Team Grant on Reducing the Health Disparities among Vulnerable People Working in the Sex Industry. Nominated Principal Applicant: Cecilia Benoit (University of Victoria); Principal Applicants: F. M Shaver (Concordia), L. Jackson (Dalhousie), G. MacDonald (St. Thomas) Mikael Jansson (Victoria) (\$10,000).

2005 CIHR Team Research Grant: Health, Safety, and Well-being of People Working in the Canadian Sex Industry. Cecilia Benoit (Victoria), Nominated Principal Applicant; Principal Applicants: Frances M. Shaver, Lois Jackson (Dalhousie), Gayle MacDonald (St. Thomas), Mikael Jansson (Victoria). \$600,390 Requested over five years (not successful).

2005 SSHRC Standard Research Grant: Risk and Risk Management in Sex Work: A comparative analysis. Frances M. Shaver Principal Investigator. \$77,125 (+ \$6,400 for RTS) Requested over three years (4A status).

2005 (January) Letter of Intent (LOI) to CIHR Team Research Grant: Health, Safety, and Well-being of People working in the Canadian Sex Industry Nominated Principal Applicant: Cecilia Benoit (Victoria); Principal Applicants: F. M Shaver (Concordia), L. Jackson (Dalhousie), G. MacDonald (St. Thomas) Mikael Jansson (Victoria) (\$10,000).

2004 SSHRC Standard Research Grant: Risk and Risk Management in Sex Work: A comparative analysis. Frances M. Shaver Principal Investigator. \$98,814 Requested over three years (4A status).

2004 HRDC Summer Placements (3)

2004 Work Study (2)

2004 NNEWH Research Grant Title: Sex Work and Personal Service Work Comparisons: Data Integration, Writing, & Translation, Frances M. Shaver (Principal Investigator) (\$7,575)

2003-2004 Centres of Excellence for Women=s Health Program, Women=s Health Bureau Canada. Funds for the National Network on Environments and Women's Health (NNEWH). One of four federal Centres of Excellence for Women's Health, NNEWH is housed in the Centre for Health Studies, York University. *My responsibilities were extensive this year: I was involved in the design and development of the contribution agreement, had responsibilities for staff management and hiring, and took on the roles of Acting Executive Coordinator and Chair of the search committee for four months when we lost our EC.* (\$435,000 for one year).

2003 Rector=s Discretionary Funds, Faculty of Arts and Science, and the Department of Sociology and Anthropology, Concordia University. Title: National Community-Academic Research Program on Health and Safety in the Sex Trade. F.M. Shaver Principal Applicant. (\$5000 for October workshop and follow-up work).

2003 SSHRC, Aid to Occasional Research Conferences. Title: Health and Safety in the Sex Trade: Stage II Planning for a National Community-Academic Research Program. Co-Applicants: C. Benoit (University Victoria) and F.M. Shaver. *The workload was shared equally.* (Grant assigned a 4A status).

2003 CIHR Workshop Support. Title: Health and Safety in the Sex Trade: Stage II Planning for a National Community Academic Research Program. Co-Applicants: C. Benoit (University Victoria) and F.M. Shaver. *The workload was shared equally.* (\$5000 for October workshop and follow-up work).

2003-2004 Financial Aid, Concordia University. Two Fall and two Winter Work Study Projects (\$2,584 and \$2,350 over the two semesters).

2002-2003 Financial Aid, Concordia University. One year long Work Study Project and one for Fall and Winter (\$3,809 and \$2,308 respectively).

2002 NNEWH Community/Academic Partnered Research: Funding Application for Networking and Workshop Development. Title: Health and Safety in the Sex Trade: Moving toward a proposal for an academic community partnered multi-site research project. Co-Applicants: F.M. Shaver, Concordia and C. Benoit, Victoria. *The workload was shared equally.* (\$6,050 for September workshop and follow-up work).

2002 NNEWH Collaborative Research Grant. Title: Health and Safety in the Sex Trade: Moving toward a proposal for an academic community partnered multi-site research project. C. Benoit, Victoria (Applicant) and F.M. Shaver, Concordia (Co-applicant). *My responsibilities included the revisions and editing of the discussion paper and full responsibility for its translation.* (\$6,750 for the development and translation of the workshop discussion paper).

2000-2001 NNEWH Research Grant. Title: Canadian Public Policy and the Health and Well-Being of Sex workers: the hiring and training of community partner members for participatory research. F.M. Shaver (Principal Investigator); Jacqueline Lewis and Eleanor Maticka-Tyndale, Windsor (Co-Participants). *I was primarily responsible for training the student assistants and community partners in both field sites (Montreal and Toronto). In addition, I prepared the workbook for each workshop and negotiated its translation into French. My colleagues assisted with the Toronto workshop.* (\$15,000).

2000-2003 SSHRC Strategic Themes Competition: Society, Culture, and the Health of Canadians. Title: Canadian Public Policy and the Health and Well-Being of Sex Workers. Jacqueline Lewis, Windsor (Principal Investigator) and Eleanor Maticka-Tyndale, Windsor and Frances M. Shaver, Concordia (Co-Applicants). *We received a 12-month extension on this grant (until March 31, 2004). My responsibilities include the training of the community partners as research assistants on both field sites (Toronto & Montreal), the organizing and managing of all research activities in Montreal, preparing for two full partners meetings and numerous meetings with the Montreal partner (Stella). In addition, I have the major responsibility for writing up the results from the Montreal data, will contribute to other papers, and have the primary responsibility for some of the work-safety flyers we are producing.* (\$352,424 over 3-years).

2002-2003 Centres of Excellence for Women=s Health Program, Women=s Health Bureau Canada. Funds for the National Network on Environments and Women's Health (NNEWH). One of four federal Centres of Excellence for Women's Health, NNEWH is housed in the Centre for Health Studies, York University. *In addition to being an academic partner, I was involved in the design and development of the contribution agreement, had responsibilities as a member, and then as chair of the executive committee.* (\$428,000 for one year).

2001 Financial Aid, Concordia University. One year long Work Study Project (\$3,463).

1998 NNEWH Research Grant. Title: Work, Restructuring, Health and Policy Implications: The Sex Trade Environment. F.M. Shaver (Principal Investigator) and Katherine Lippel (Co-Investigator) Dépt des sciences juridiques, UQAM. *In addition to writing up the grant application, my responsibility was to produce an annotated bibliography and review of the literature. In addition to having an early version translated, I also revised and contributed to the final report by K. Lippel* (\$18,536 for one year).

1997 Financial Aid, Concordia University. Two Summer and two Fall Work Study Projects, (\$690x2 and \$1380x2).

1997 Summer Career Placement Program, Human Resources Development Canada. 30 hours/week for 10 weeks (\$2772).

1996-2002 Centres of Excellence for Women=s Health Program, Women=s Health Bureau Canada. Funds for the National Network on Environments and Women's Health (NNEWH). One of five federal Centres of Excellence for Women's Health, NNEWH is housed in the Centre for Health Studies, York University. Principal Investigator: Gina Feldberg (York University). *In addition to being an academic core partner, I spent a year on the RNT committee (evaluating grant applications) and became an active member of the Executive Committee in 2000.* (\$2.0 million over six years).

1996-1997 Financial Aid, Concordia University. Two Work Study Projects. \$1563 and \$1129.

1996 Summer Career Placement Program, Human Resources Development Canada. 30 hours/week for 12 weeks (\$1530).

1996 General Research Funds, Arts and Science Faculty, Concordia University Title: Sex Work as Service Work Phase II: Supplemental Funding. F.M. Shaver (Principal Investigator) \$2,500 for one year.

1996-2000 Glaxco Wellcome Inc. Title: AIDS/HIV: Cultural, Social, and Scientific Aspects of the Pandemic (an Interdisciplinary Co-operative, Community-Based course). Tom Waugh (Principal Investigator); F. M. Shaver and Chantal Nadeau (Co-Investigators), Concordia University. *Waugh took the lead but all of us were involved in writing and pitching the project to Glaxco Wellcome Inc. Once the grant was secured we were all involved in the design, development, and maintenance of the course and the Minor in Interdisciplinary Studies.* (\$25,000/year renewable for 4 years).

1995 Financial Aid, Concordia University. Work Study Project (#6116) \$3,756 for one year.

1995-1998 FCAR - Programme soutien aux équipes de recherche. Title: Sexualités, représentations, et marginalités. Enjeux culturels, sociaux, et politiques. Tom Waugh, Concordia University (Principal Investigator) F. Shaver, B. Foss, C. Nadeau (Team Members). *In addition to participating in the workshops and conference planning (for Sex on the Edge), I developed a database of print media articles about sex work and sex workers published in the major newspapers in Toronto and Montreal in 1993 and 1994. The period coincides with the field studies I conducted in Montreal and Toronto. The addition of this database allows for comparisons between the language and descriptors sex workers use when discussing their own work and that used in the media.* (\$39,779/year for three years).

1994 Financial Aid, Concordia University. Two Work Study Projects (#5105): \$1,291 for one year; (#5104): \$968 for one year.

1994 Employment and Immigration Canada, Challenge 94 Awards (two-12 week awards). \$3,060 for the summer.

1994 Learning Development Grant, Concordia University. Title: Developing teaching resources and networks for curriculum on AIDS. Co-Applicants: Tom Waugh and F.M. Shaver, Concordia University. *The workload was shared equally.* (\$2,000 for the year).

1994-1996 Burroughs Wellcome Inc. Title: AIDS/HIV: Cultural, Social, and Scientific Aspects of the Pandemic (an Interdisciplinary Co-operative, Community-Based course) Co-Principal Investigators: Tom Waugh and F. M. Shaver, Concordia University. *The workload was shared equally.* (\$40,000 for two years).

1993-1996 SSHRC Strategic-Women in a Changing Economy. Title: Prostitution et travail économique-sexuel des femmes: entre tradition et modernité. Daniel Sansfaçon, UQAM (Principal Investigator), F.M. Shaver and Nathaly Gagnon, Concordia (Co-investigators). *I shared with Gagnon the responsibility of training the research assistants and managing the data collection.* (\$61,400 for three years).

1993-1996 SSHRC General Research Grant. Title: Sex work as service work: programme integration. Principal Investigator: F.M. Shaver. (\$48,000 for three years).

1993-1996 SSHRC, Strategic Research Networks. Title: Social and Economic Restructuring in Rural Canada: Opportunities and Impacts of the North America Free Trade Agreement. Principal Investigator: Peter Apedaile, University of Alberta. *As one of the eleven network members, I was actively involved in the development of the workshop and international conference related to the theme.* (\$78,000 over three years).

1993-1994 Financial Aid, Concordia University. Work Study Project (#4221). \$2,681 for one year.

1992-1995 Faculty Research Development Programme, Concordia University. Title: Managing defilement: a comparison of sexual and asexual service work in Toronto. Principal Investigator: F.M. Shaver. \$29,300 for three years.

1992-1995 FCAR, Programme Établissement de Nouveaux Chercheurs. Title: Managing defilement: a comparison of sexual and asexual service work in Montreal. Principal Investigator: F.M. Shaver. \$42,600 for three years.

1992-1995 SSHRC General Research Grant. Title: Poverty and Deprivation in Rural Canada. Bill Reimer, Concordia (Principal Investigator) and F.M. Shaver (Co-Investigator). *Workload equally shared.* (\$73,760 over three years).

1991-1992 Financial Aid, Concordia University. Work Study Project (#2094-1-S). \$750 for one year.

1991-1992 SSHRC, Women and Work Strategic Grant. Title: Sex Work as Service Work: Integrating the Dark Side of the Service Industry. Principal Investigator: F.M. Shaver. \$25,171 over two years.

1990-1991 Concordia University General Research Fund. Title: Female, Male, and Transgender Prostitution in the Tenderloin: Data Entry and Preliminary Analysis. Principal Investigator: F.M. Shaver. \$2,000 over one year.

1990-1991 SSHRC, Aid to Occasional Scholarly Conferences in Canada. Title: Sciences sociales et société - orientations pour les années 1990. F.M. Shaver (Principal Applicant) and Gladys Symons (Co-Applicant). *Responsibility for the conference was shared but I had the major responsibility of the publication of the proceedings.* (\$7,000 for the conference).

1989-1990 General Research Fund, Concordia University Title: Adult Prostitution in Canada: Review and Critique of the Literature. Principal Investigator: F.M. Shaver. (\$4,500 for one year).

1989-1992 SSHRC, Canada Research Fellowship. Title: Challenging Our Views: Adult Prostitution in Canada. Principal Investigator: F.M. Shaver (\$117,700 over three years).

1987-1989 SSHRC, Post Doctoral Fellowship. Title: The Household and the Economy. Principal Investigator: F.M. Shaver. (\$27,000/year for two years).

1982-1983 SSHRC, General Research Grant. Title: Farm production, farm labour, and rural women: a sociological analysis. Bill Reimer (Principal Investigator) and F. M. Shaver (Co-Investigator). *Workload equally shared.* \$2,000 over one year.

1981-1982 Programme de formation de chercheurs et d'action concertée (FCAC). Title: Étude comparative de deux communautés marginales vivant au Québec et en Nouvelle-Ecosse. Pieter deVries (Principal Investigator), B. Reimer and F.M. Shaver (Co-Investigators). \$12,000.

1980-1981 General Research Grant, SSHRC. Title: Farm production, farm labour, and rural women: a sociological analysis. Bill Reimer (Principal Investigator) and F.M. Shaver (Co-Investigator). *Workload equally shared.* (\$7,504 over one year).

1980-1981 General Research Funds, Concordia University. Title: A comparative study of a marginal community in Quebec with one in Nova Scotia. Pieter deVries (Principal Investigator), B. Reimer and F.M. Shaver (Co-investigators). *deVries took the initiative on leading this project comparing the two communities (his and ours) and Reimer and Shaver responded.* (\$3,600).

1979-1980 General Research Grant, SSHRC. Title: Farm production, farm labour, and rural women: a sociological analysis. Bill Reimer (Principal Investigator) and F.M. Shaver (Co-Investigator). *Workload equally shared.* (\$8,598 over one year).

3.4 Research Contracts

1992-1993 Agriculture Canada, Women=s Bureau. Title: Women in Canadian AgricultureCA Bibliography and State of the Art Review. \$15,000 over two years.

1990 Agriculture and Rural Restructuring Group, University of Guelph, Ontario. Title: Rural Deprivation in Canada. With Bill Reimer. \$3,500 for the project.

1990 Consultant to APOGEE Research International. Title: Evaluation of the Farm Women's Advancement Program, Agriculture Canada. \$3,000 for the project.

1987-1988 The Commissioner of Official Languages. Title: Phase II of the Minority Community Case Study. With Bill Reimer, \$50,000 over one year.

1986-1987 The Commissioner of Official Languages. Title: Phase I of the Minority Community Case Study. With Bill Reimer, \$12,500 over one year.

1984 Research Consultant for Peat, Marwick and Partners, Ottawa, Canada. The contract involved the development of the questionnaire and design of a survey on prostitution and pornography for the Department of Justice (May).

1984 Research Consultant for the Department of Justice, Canada. Outlined several options for a population survey on prostitution and pornography (Feb).

1982 Research consultant for le Ministère de l'Environnement, Direction des communications, Québec. Finalized the questionnaire used in a study of Quebec farmers and their perception of the environment (May).

1977 Research Consultant for a Work Team Services Project, Alexandria, Ontario. This project was designed to integrate handicapped persons into agricultural labour.

1975 Research Consultant for Canada Jaycee Study of Community Needs, Dollard des Ormeaux, QC.

1974 Consultant and theme speaker for a S.E.A.P.A.C. in service training conference, Cowansville, Quebec. A colleague and I taught an intensive course in research methodology to a group of consultants from the Adult Services of the Protestant School Board.

1972 Research Consultant, Surrey Intersection Society, Surrey, B.C. Designed and co-ordinated an evaluation of this Crisis Centre.
